7th Grade Supply List

2026-2027

For All Subjects: It is very strongly recommended that all students have a device with internet access at home (iPad, Tablet, Chromebook, Computer) because there will be several remote learning days in the 2026-27 school year. Many homework assignments and family resources are also posted online, so it is very strongly advised, encouraged, and recommended that families have a device with internet access at home.
