

6th Grade Supply List
2026-2027 School Year

For All Subjects: ***It is very strongly recommended that all students have a device with internet access at home** (iPad, Tablet, Chromebook, Computer) because there will be several remote learning days in the 2026-27 school year. Many homework assignments and family resources are also posted online, so it is very strongly advised, encouraged, and recommended that families have a device with internet access at home.*
